ADVANCED STANDING APPLICATION

Qualified students may receive Advanced Standing for up to 25% of their master's degree program based on their undergraduate performance. - The school from which the undergraduate course was taken must be accredited by an accrediting organization recognized by the Council for Higher Education Accreditation (CHEA)
- The student must have earned a B or higher in the undergraduate course
- The student must have a cumulative undergraduate GPA of 3.0. Failing that, the student must have a GPA of 3.0 in the last 60 hours of study
